## Meet our Local... PEOPLE IN BUSINESS

### Peter Zavitz, Salesperson

Peter Zavitz loves people. He loves talking to people, creating strong relationships with people and listening to them speak about their dreams. In 2006, he joined Johnson Associates Halton Ltd. as a real estate sales representative, where he realized he could best apply his caring nature.

"I feel very blessed to be at Johnson Associates," he says. "The people there are phenomenal to work with. The team spirit is tremendous."

Peter is proud to be able to assist his clients when buying or selling both residential and commercial properties. Having lived in Georgetown for 18 years and raising his family here, Peter understands his clients' needs. "You certainly learn a great deal from being a father to three daughters," he says. "My children have been my greatest teachers."

Peter is very involved in his community. He is the treasurer of the Georgetown Rotary Club and was responsible for the club's International Youth Exchange program. Last year, he was a member of the Chamber of Commerce committee that planned the Halton Hills Home and Leisure show.

"I love this town," he says. "We are so fortunate to live in such a naturally beautiful area!"

If you're looking for someone who is truly committed to service with a caring attitude, give Peter a call. He'd be delighted to help you with any of your real estate needs.

### Paul Kuhlberg

Every person is different, which is why Paul Kuhlberg at Up Your Bike customizes every bike, skateboard and snowboard he sells to meet his customer's needs.

"The right bike can change your biking experience," he says. "You need the right features to meet your needs."

For the past 10 years, Paul has been helping the people of Halton Hills have the ultimate biking experience. Up Your Bikes carries a huge variety of bikes, from BMX to mountain bikes, plus accessories like bike bags and computers that measure speed and distance. His store caters to the whole family - he often sees parents come in to buy their kid's first bike, then pick up a larger bike for themselves so they can all go biking together.

Up Your Bike also offers service and repairs on all bikes - anything to make the biking experience more enjoyable.

"A bicycle is more than just something in the garage," Paul says. "There's a connection between the rider and the bicycle because you're the motor."

### Bill McKeown, Broker

Bill McKeown is celebrating a milestone. For the last 20 years, Bill, a real estate broker at RE/MAX Real Estate Centre Inc. Brokerage, has been helping the people of Halton Hills find their dream homes. Residential real estate and commercial properties, Bill does it all and loves every minute of it.

A born communicator, Bill listens to the needs of his clients. Bill started selling automobiles in Georgetown before entering the real estate profession. He loves meeting people and matching them up with their needs.

When he's not busy running around town with his distinctive MC-Q-WIN signs, Bill gives back to his community. He is popular at community functions as a master of ceremonies including the annual Hockey Heritage dinner to the Classics Against Cancer car show on Father's Day.

Congratulations on your 20 years in the business, Bill, and here's to 20 more!

### The Smith Family

For all your printing, copying and laminating needs, look no further than C & S Printing in downtown Georgetown. For more than 30 years, the Smith family has been offering the people and businesses of Halton Hills high-quality and economical printing services.

A lot has changed over the years. Today, the business is owned by Blake Smith and his parents, Don and Donna, who are proud to offer the latest in digital copying and printing - a big change from the old letter press used by Blake's grandfather when he started the business 31 years ago.

Although much has changed, much has remained the same as well. Honesty, integrity, reasonable pricing and friendly customer service remain the cornerstones of the business.

As long-time Georgetown residents, the Smith family is very active in the community. They donate to many different charities and groups around town, especially youth organizations.

"If you're going to live in this community, you need to be active and support the community," Blake says. "We thank Georgetown for supporting our business for 31 years."
