**IN MEMORIAM**

**CREWE-READ, Art**

In loving memory of Our Dad, Our Grandpa and Our Best Friend  
Who passed away May 8th, 2004

The fourth year has now passed  
And it still seems unreal,  
Without you in our lives,  
There's a loneliness that we feel.  
You were such a big part  
Of our world that we know,  
It all seems unfair  
That you had to go.  
The kids talk of you often  
And the special times that you had,  
They wish you were here with them  
And it still makes them sad.  
But they know you'd be proud,  
Of all that they have done,  
You taught them very much in life,  
And always to have fun.  
You were such a special person  
And an ear you'd always lend,  
You were more than a Grandpa and Dad,  
You were also our Best Friend.

*Sadly missed and forever loved,  
Diane, Paul, Ryan, Dylan, Dave, Dorothy and Jenna*

**PATERSON, Anne**

In loving memory of a wonderful mom and grandma,  
who left us May 4th, 2001

A butterfly flew past my window today,  
Was it you?  
A cool breeze kissed my face today,  
Was it you?  
The sun warmed my soul today,  
Was it you?  
I must be you.  
I see you every time I close my eyes.  
You are in my every thought.  
You are a quiet part of me.  
I love you.

*Still loved, still missed and very dear...  
Heather and Sheila*

**IN MEMORIAM**

**ROSHIER**

In loving memory of  
Herbert 'Red' Roshier who passed away April 27th, 1994 and  
Jean Roshier who passed away May 12th, 2005

One by one they go before us,  
They are fading like the dew,  
But we know they're watching o'er us,  
They the good, the fair, the true.  
They are waiting for us only,  
Where no pain can ever mar,  
Dear ones who left us lonely,  
Watch us through the gates ajar.  
There a father, there a mother,  
Gone within those gates ajar.

*Love always, your son, Glenn*

**PET MEMORIAM**

In Loving Memory of  
**Casey Farwell**

He made his final journey across the Rainbow Bridge on May 5th, 2008  
He will be deeply missed by all his family, friends and neighbours.  
He was a dear friend and a true Golden Retriever.  
Not a day went by that he did not make all of us smile or laugh out loud.  
He was always quick with a smile and a paw for anyone who would stop and talk to him.  
He was always happy and never met anyone he did not like.  
He never barked because he never had anything to complain about.  
He enjoyed his walks and it gave him a chance to meet more people and hopefully their dogs.

The last year was tough on him as he several operations (7) but he never complained and his tail always kept wagging. Finally it was cancer that took him from us.

Casey touched all our hearts and will never be forgotten.

"Dogs are not our whole life, but they make our life whole".
