"Now I feel fantastic...  
I love the way I look."

thank **U**

**Rachel**

Location: Georgetown  
Before U: 180 lbs  
New U: 140 lbs  
Weight Loss: **40 lbs**

When I quit a very active job to work at a desk, I never realized how quickly I would gain weight. I gained 30 pounds in three months. I felt horrible about myself. None of my clothes fit and I was very self-conscious about the way I looked. I never wanted to do anything or go out anywhere anymore.

Now I feel fantastic and I fit into clothes I never thought I would wear again. I have lots of energy and I love the way I look again and so does my husband, even though he would never admit that I looked bad before. I thank the U weight loss clinic from the bottom of my heart because I couldn't have done it without them.
