Show to run May 27-June 21

Innerscapes set to Zoom Zoom Zoom

The local art group Innerscapes will display their latest work in the show, *Zoom Zoom Zoom*, from May 27 until June 21 at the Halton Hills Cultural Centre.

This is the third installment in the "Zoom" series, exhibited at the Georgetown Cultural Centre. Innerscapes artists, Beatrice Dumbreck, Herta Hajek, Tizianna Manierka, George Perdue, Eileen Simpson, and Jan Zimmerman have been developing this work over the past year exploring what it takes to develop their personal journeys.

Innerscapes was initiated to promote exploration, learning, and development in fine arts. Both the group and its purpose have evolved since inception in 2000.

Each member develops at varying rates along multiple paths. This variety in evolution serves as a magnet for the members, each finding a time to take their creative energy from the group. The result: six distinct paths with intersecting points in common.

The Zoom series was conceived as a way to share the path of creativity now known as "Zooming Out".

So what is Zooming?

Artists find themselves on a personal journey. The longer one paints the more one realizes there is much more to explore, discover, and learn. As Degas said on his

INNERSCAPES', pg. 20

ALEX TRENTON DENTURIST

ONCE BITTEN, TWICE SHY?

If you are experiencing difficulty with your dentures, or if you haven't had them checked in the last year, give our office a call.

STEPS TO A SMILE
The first step in solving your problem is a consultation. You and your dentist will discuss your individual needs and the choices available to you. Our office does not charge for consultations. Your dentist will provide you with the information you require to determine what is right for you.

YOU BE THE JUDGE
Your dentist's focus is on comfort and fit, appearance too is very important. Your dentist will work with you to recreate the character of your smile. Before your dentist is finished, you'll assess its appearance using teeth temporarily set in wax. You'll be invited to bring in photos or a family member to help you judge the new appearance, if you wish.

Creating confident smiles since 1982.
