

Be Boat Smart.

There are many rules to follow when boating or driving, but there is one rule that's the same whether you're on land or at sea—Don't Drink & Drive!

Many boating accidents occur when the driver is under the influence of drugs or alcohol. Your day on the water can be fun and enjoyable if you stay sober and in control of your vessel.

Woodworking couple join Artisans' Attic co-operative

Two new members, the husband and wife team of Mike Bergeron and Monica Mori, have joined the Artisans' Attic fold.

Bergeron and Mori have 39 years of experience between them in the art of woodworking originating from their high school days when Mike's first piece of beautiful wood art, an intricately engraved planter, was given to his then high school sweetheart Monica.

Together they have handcrafted mission-style furniture that adorns their home and now offer carefully honed functional wood items at the Artisans' Attic. These include exquisite breadboards, bowls, distinctive pens and many other items for home, cottage and office.

In the making of their delightful pieces Mori and Bergeron highlight the natural grains, colours and distinctive features of each wood that are gathered from around the world.

The Artisan's Attic, an artisan's co-operative that houses the original work of more than 20 dynamic artists, is in its 12th year at 73 Main Street in downtown Georgetown. The abundance of skilled and beautiful work displayed at this store/gallery includes; functional and decorative pottery, weaving, basketry, jewelry, original paintings and limited edition prints, photography, stained glass, blown glass, papier maché, fibre arts, metal sculpture and so much more.

The Artisan's Attic at 73 Main Street South, Georgetown, is manned by the membership artists who can be seen working at their craft during store hours; Monday to Thursday, 10 a.m. to 6 p.m.; Friday, 10 a.m. to 8 p.m., and Saturday, 10 a.m. to 5 p.m. New summer hours will apply in the months to come.
