535 Hospital, Medical, Dental

East Wellington

Family Health Team

CLINICAL PROGRAM LEAD / RN

The East Wellington Family Health Team (EWFHT) offers the opportunity to join an innovative, community-based primary health care team serving the Erin and Rockwood area. We are looking for an outstanding team player to join us as we create a model of excellence in rural primary care

As part of the Management Team, the Clinical Program Lead / RN position will be a 50 / 50 mix of direct primary care provision and program development/management.

535 Hospital, Medical, Dental

As a Registered Nurse, you will work within a collaborative and multidisciplinary team of physicians, nurses, nurse practitioners, and other allied health professionals to provide direct clinical care focusing on disease prevention, chronic disease management and health promotion in a rural and small town setting.

As the Clinical Program Lead you will provide leadership to the development and implementation of the new EWFHT program plan. This will include:

- Establishing a collaborative client-centred approach to care
- Program planning, implementation, assessment and evaluation
- Human resource management, including clinical staff recruitment, supervision of allied health professionals, staff training and team building
- Strategic partnership development and coordination with staff and outside service providers to ensure effective program delivery

Qualifications
We are seeking an individual with:

- Proven ability to work independently and as part of a highly interdependent team
- Strong interpersonal, organizational and strategic planning skills
- Exceptional communication (written and oral), decision making and problem solving skills
- Sound judgment, tact and diplomacy with an emphasis on discretion and confidentiality
- The flexibility required to work in a rapidly changing environment
- A license to provide health care in Ontario
- At least three years experience in providing direct clinical care as a registered nurse or other allied health professional

The ideal candidate for this position will have demonstrated experience in:

- Health program design, development and evaluation
- Partnership development and risk management
- Human resource management including excellent skills in negotiation and team building
- Working within a collaborative interdisciplinary setting, ideally involving health professionals
- Broad knowledge of community health and primary health care
- An appreciation of the requirements of rural health care provision
- Familiarity with East Wellington and the spectrum of health and social services available
- Skills in community-based research and data interpretation

The East Wellington Family Health Team offers attractive compensation, a supportive and flexible work environment and the opportunity to help with creating quality health services for peoples in the Erin/Rockwood area.

If you are interested in this opportunity, please send your cover letter and resume in confidence to Michelle Karker, michelle.karker@ewfht.ca by June 9th.

We thank all applicants for their interest, however, only those selected for an interview will be contacted. This posting will stay open until a successful candidate is hired.

525 Office Help

535 Hospital, Medical, Dental

DENTAL OFFICE ADMINISTRATOR

Motivated dynamic individual required to assist in managing the business administration of a large family dental practice in Georgetown. The successful candidate will have several years experience in dental practice management, excellent communication skills and will have confidence in managing people. Duties will include human resource management, office policy, financial reporting and eventually assuming major responsibility for all the business systems in place.
