## SMOKING

is it worth it?  
 Someday, you'll be offered a cigarette or be tempted to smoke. Before you start, think about it: every drag you take screws up your body.

Smoking can cause permanent damage to your body. Once a person starts, it becomes extremely tough to quit. And did we mention all that cash you'll be blowing in the process?

So, if you're tempted to start, ask yourself, "Is it worth it?"

### NOTICE OF A PUBLIC INFORMATION CENTRE

**Proposed Pre-consultation By-law**  
 A By-law to require applicants to consult with the municipality prior to submission of development applications

**DATE/TIME:** Thursday, June 5, 2008  
 7:00 PM to 8:00 PM

**LOCATION:** Esqueusing Meeting Room  
 Civic Centre,  
 1 Halton Hills Drive, Halton Hills

Town of Halton Hills staff will conduct a Public Information Centre regarding a proposed Pre-consultation By-law for the Town of Halton Hills. All interested citizens are welcome to attend. A presentation will be delivered followed by a brief question and answer period.

The Pre-consultation By-law is proposed as permitted under sections 22 (3.1), 34 (10.0.1), 41 (3.1), and 51 (16.1) of the Planning Act, R.S.O. 1991, c.P.13, as amended. These sections of the Planning Act provide that a municipality may pass a by-law requiring applicants to consult with the municipality prior to submitting the following development applications: Official Plan and Zoning Bylaw Amendments, draft plans of subdivision, draft plans of condominium and site plans.

Over the last several years, the Town of Halton Hills has held regularly scheduled pre-consultation meetings with proponents of development in the Town prior to the submission of related development applications. The proposed By-law formalizes this practice and would require that Town staff and applicants meet before the submission of the specified application types.

Pre-consultation provides an opportunity, before formal applications are submitted, for issue identification and discussion between the proponent, Town staff and representatives of commenting/approval agencies, and helps to ensure that complete applications are filed by itemizing any required studies or reports, detailing the content of the application and specifying the correct application type(s).

To obtain further information regarding the proposed Pre-consultation By-law visit the Planning and Development Department, Town of Halton Hills, 1 Halton Hills Drive, Halton Hills, Ontario L7G 5G2 or contact: Adam Farr, Manager of Development Review at 905-873-2601 ext. 2422. 57
