

United Way seeks more volunteers

The United Way of Halton Hills has been in this community since 1986 and is currently in need of volunteers for the Campaign Committee, the Allocations Committee and the Board of Directors.

This volunteer-driven agency funds many local social agencies and their programs that benefit people of all ages. Volunteers at United Way of Halton Hills take on such roles as reviewing

applications for funding, making funding decisions, marketing and promoting United Way to the business community, fundraising (annual events include the President's Ball and the House Tour), guiding the organization on the Board of Directors, and much more.

If you are looking for a fulfilling volunteer experience, contact Janet Foster, UWHH executive director at 905 877-3066.

The United Way of Halton Hills' 2007/08 Annual General Meeting will be held on Wednesday, June 18, 7 p.m., at the Bethel Christian Reformed Church, 365 Queen St. in Acton. The public is invited to attend. The Board of Directors will review the 2007/2008 year, and pay recognition to local businesses that supported the 2007 Campaign. For details, please contact the United Way office, 905-877-3066.

Sale period: May 29 - June 4

DON'T GAMBLE WITH YOUR LIFE

Shooting drugs is no different than shooting dice: you'll be on a roll for a while, but one time is all it takes to end the game.

Drug addiction can happen quickly and be hard to beat.

So, why play games with your health and well-being? It's not a gamble worth taking.

Where Child Abuse Hurts Most

Sometimes the worst scars of child abuse can't be seen. Whether physical or emotional, abuse attacks a child's self-esteem and emotional development, leaving long-term emotional trauma and pain. You can help prevent child abuse by being a nurturing parent or caregiver. By letting children know they are special, competent and loved, you can help them develop positive self-images and happier futures.

If you feel overwhelmed, angry or frustrated as a parent, help is out there for you. Look in your area for support groups and services, or talk to a trusted friend, family member, pastor or doctor about what you can do to protect and support your child. If we all do our part to prevent child abuse, we'll get to the heart of the matter.
