Don't Be Late

Put your waste at the curb by 7 a.m. the morning of your collection day, but no sooner than 5 p.m. the evening before.

Collection times can vary from week to week due to route changes, weather conditions and equipment maintenance.

Collection Tips

- Don't be late. Put waste at the curb by 7 a.m. the morning of your collection day, but no sooner than 5 p.m. the evening before.
- Keep the weight down. Containers and bags should weigh no more than 23 kg (50 lbs). Items that are too heavy will not be collected. Do not put material out in cardboard boxes.
- Plastic bags don't go in the Blue Box. Don't use plastic bags for your recyclable materials.
- Cardboard boxes are not accepted as garbage or yard waste containers. Please flatten cardboard and tie it in bundles no larger than 90 cm x 90 cm x 30 cm (3 ft x 3 ft x 1 ft) and place beside your Blue Box.
- GreenCart. Put your GreenCart out at the curb every week, even if it is only partially full. Do not place your Kitchen Catcher at the curb; it is more likely to blow away in the wind.
- Bulk. Residents can place a maximum of three large items at the curb on their scheduled bulk day.

The Award of Excellence is presented to a Halton business, organization, association or individual that encourages cycling. Nominations from the public are welcome.
