

# Child identification clinic tomorrow in the mall

A free MasoniChIP Ontario Child Identification Program will be held tomorrow (Saturday), 10 a.m. to 3 p.m. in the Georgetown Market Place by local Masons.

The MASONiChIP Program, deemed "one of the most comprehensive child recovery and identification programs in the nation" by The National Center for Exploited and Missing Children consists of five major components— digital photographs; digital video; digital fingerprints; vital child information; and a dental bite impression or Intra Oral Swab for DNA. The photographs, video, fingerprints, and child data are burned onto a CD, that is compatible with Amber Alert. Combined, this five-part process provides an effective recovery tool for authorities.

All information and specimens are collected on site, processed, and provided to the parent or guardian in an envelop— along with the sentiment of all Masonic volunteers, "We hope you never need to use it." After each child is processed, the data is deleted from the computer. The only item retained by MASONiChIP Ontario is the signed permission slip.

This clinic is sponsored by The Lodges of Wellington Masonic District including the local Credit Lodge of Georgetown.

For further information on MASONiChIP Ontario or future MASONiChIP events, please contact MASONiChIP Ontario Program Director, Raymond L. Dobbs, raydobbs@sympatico.ca)

The local contact is William M. Jones, bill.jones@sympatico.ca

You can lose a lot more than your licence drinking and driving.
