

Food bank has shopping list for you

The Georgetown Bread Basket (food bank) is running low on the following items: canned meat, canned milk, dry cereal, canned tomatoes, canned vegetables, canned fruit, dry soup, canned juice, jams, Cheese Whiz. If you can help, please drop food off at A & P North or South, The Real Canadian Superstore, Food Basics, Price Chopper, and volunteers will get it to the food bank.

Uchs needs dog food

Upper Credit Humane Society is desperately seeking donations of canned dog food to help feed the masses of dogs that are at the Shelter during this period. Any donations can be dropped off at Global Pet Foods, Georgetown, or the UCHS Thrift Shop on Moore Park Plaza, Georgetown, for the donors' convenience. The animals thank you!

Service Canada opens up shop in Acton

Most people have heard the advertising slogan "It's worth the drive to Acton", but one Service Canada employee, who also resides in Acton, says "It's worth staying in Acton!"

Every second Wednesday, Maggie can be found in Acton at Links2Care, 47 Mill St. E., 8:30 a.m. to 4 p.m., where she provides citizens with assistance on a wide variety of Government of Canada programs and services. Maggie is one of many knowledgeable Service Canada employees who visit communities throughout Ontario on a regular basis to help citizens access the programs and services they need.

"Service Canada's goal is to bring

Government of Canada programs and services together with one point of contact," said Nancy Green, director of Service Canada Centres in Halton-Peel. "We want to provide Canadians with one-stop, easy-to-access, personalized service."

All Canadian residents can contact Service Canada to find out about the programs and services available through the Government of Canada. Information on Canada Pension Plan, Old Age Security and other income support programs is available for seniors. Parents can apply for a Social Insurance Number on behalf of their children and become aware of other programs such as Parental

Leave and the Universal Child Care Benefit to name just a few.

Although technology has made it easier to access the Government of Canada by phone, Internet or mail, some clients prefer to come into a Service Canada Centre. That's why the site in Acton is so important. Service Canada is able to bring services to citizens where they live.

Maggie has made some new friends in her community of Acton. People have come in to apply for the Canada Pension Plan and come back on a regular basis just to say hello and chat.
