**Halton REGION** where teamwork succeeds

At Halton, we value our employees, as it is only through their efforts that we are able to meet the evolving needs of our customers. Be recognized for your contribution to Halton's successes. Providing services in public health, social and community services, and planning and public works, Halton Region is a dynamic organization in an ever-changing and growing community, located in the western Greater Toronto Area.

**COMMUNITY CASE MANAGER**

This role at our North Halton Mental Health Clinic is a great opportunity to apply your knowledge of case management and community-based psychiatric treatment. Working as part of the Health Department in a multidisciplinary team, shared-care model of service, you will collaborate with other Clinic treatment teams and various sectors of care – hospitals, community support teams, housing, vocational, recreational, health programs, educational and primary care – in treatment planning and delivery. Success in this environment calls for experience with mental health intake, clinical assessment and a client/family/community partnership approach to treatment planning. Your expertise will have been acquired through a master's degree in Health/Social Services and at least 3 years working in psychiatric mental health, or a bachelor's degree in Nursing and 5-plus years in community mental health. Preference will be given to individuals who have worked in a rural setting with people living with severe mental illness. Access to a reliable vehicle is required, as this position involves travel between locations within the Region.

For further information, please visit our website. Please apply online or forward your current cover letter and resume, quoting **Competition #H-211-08**, by **June 27, 2008**, to: **Human Resource Services**. Applicants will be considered based on the information provided.

*We thank all candidates for their interest. However, only those selected for an interview will be contacted.*
