

## SOUTH HALTON WATER AND WASTEWATER MASTER PLAN UPDATE CLASS ENVIRONMENTAL ASSESSMENT STUDY NOTICE OF COMPLETION - continued

### PROCESS

This study has been undertaken in accordance with the requirements for master plans under Section 4, Approach #2 of the Municipal Class Environmental Assessment (EA) document (October 2000 as amended in 2007) which is approved under the Ontario Environmental Assessment Act, and will satisfy Phase 1 and 2 of the planning process. The Master Plan Update was presented at a Public Information Centre (PIC) held on September 19, 2007.

The Class EA Study Report for the Water and Wastewater Master Plan Update recommends the preferred water and wastewater servicing strategies and identifies the list of projects.

This Notice of Completion is issued with respect to all of the following Schedule A, A+ and B Master Plan projects.

**WM=Watermain WBS=Water Booster Station WPP=Water Purification Plant**  
**WWM=Wastewatermain WWFM=Wastewater Forcemain WWPS=Wastewater Pumping Station WWTP=Wastewater Treatment Plant**  
**MLD=mega litres per day ML=mega litres mm=millimetres m=meters**
