

# ACTON HERBAL MAGIC

(It's Worth The Loss At Acton Herbal Magic)

In just 12 weeks I lost

**30 LBS. & 32 INCHES**

on the Herbal Magic Program.

For years I suffered with being overweight, feeling unattractive and chronic fatigue. I decided that I needed to do something about it.

I had been reading Herbal Magic advertisements in the newspaper and so I went on their website. The testimonials were truly inspiring.

One Friday afternoon, I walked into the Acton Herbal Magic Centre and spoke with Bonnie. She made me feel like a part of the Herbal Magic family and that with her help I would reach my goal.

track. They taught me about food and how to eat healthy every day. The weight and inches started to drop off and before long I had surpassed my goal.

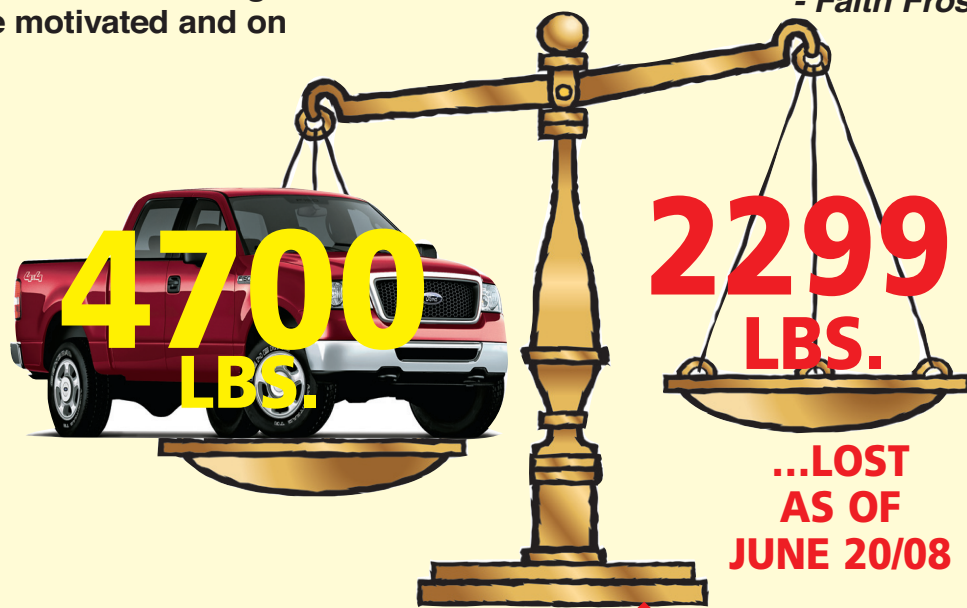

I now look and feel great and have tons of energy. The compliments I receive from family and friends have made me feel like a new person.

Give Herbal Magic three months, follow their program and watch your transformation.

Many thanks to Bonnie, Cori and Kelly for their continued support and for changing my life.

The staff at Herbal Magic kept me motivated and on
