Healthy grant

The Halton Active Living Network (HALNet) recently announced they will move forward to implement their 'Blueprint for Action', thanks to a \$188,900 grant from the Ontario Trillium Foundation (OTF). Over the next three years, the grant will be used to increase the capacity of HALNet, a network of organizations and individuals who are committed to working together to increase the number of Halton residents who are active on a regular basis. On hand for the announcement at the Oakville YMCA were, from left, Oakville MPP Kevin Flynn, Grace Soyao of the Ontario Trillium Foundation, Andrea Bibby, YMCA Oakville/Co-chair HALNet and Frank Prospero, Town of Halton Hills/Co-chair HALNet.
