**KEVIN WILKSHIRE  
(GEORGETOWN HONDA)**

Kevin Wilkshire is a car enthusiast - especially when it comes to Hondas, which isn't surprising since he is the general sales manager at Georgetown Honda. After 21 years in the business, Kevin joined the Honda team three and a half years ago and has enjoyed getting to know the people of Halton Hills.

"I'm a people person. I enjoy working with people," he says. "There's nothing more rewarding than a satisfied customer."

**WALT DIXON  
(PARK MOTOR SALES)**

Walt Dixon, the owner and operator of Park Motor Sales, has spent most of his life working in the car business. He worked as a mechanic and a service manager before buying Park Motor Sales— which sells used cars and new horse, cargo and tent trailers - in 1976.

"I enjoy cars and people," he says. "Every young person loves cars. I made a career out of it."

**SUNNY MEHTA  
(SUNNY MOTORS)**

Sanjiv "Sunny" Mehta brings more than 20 years of experience to Sunny Motors, the used car business he owns and operates. Having lived in the area for a long time, Sunny opened the business in Acton in 2000. He attributes most of his success to positive word of mouth.

"I enjoy dealing with customers and meeting their requirements," he says.

**RICHARD STECKLY  
& JOUKO HAAPANEN  
(GEORGETOWN VOLKSWAGEN)**

For Richard Steckly (left) and Jouko Haapanen, two heads are better than one. Together, the two run Georgetown Volkswagen and love every minute of it.

"Every day is different— a new adventure," says Richard, who has been a dealer principal at the dealership for the last seven years. "There are always interesting challenges and rewards. We like meeting new people and meeting their needs."
