

Thermography clinic opens in Acton

The Natural Health Care Centre Thermography Clinic was officially opened at its location at 13377 Fourth Line, south of Hwy 7, east of Acton. The clinic offers an alternative approach to breast screening using digital infrared imaging, as a pro-active approach to early detection of breast cancer. On hand to help cut the ribbon were (from left) Glen Simmons, Halton Hills Chamber of Commerce President Jamie Schumacker, Halton Hills Mayor Rick Bonnette, Ward 2 Councillor Joan Robson, Dr. Cynthia Simmons of the clinic and Ward 1 Councillor Michael O'Leary.

More Blue & Green for a Better Planet

- GreenCart is collected every week (collects kitchen scraps and compostable papers)
- Blue Box collected every week (papers and containers can go in the same Blue Box)
- Garbage collected every other week with a six bag/can limit
- Yard waste collected every other week, on the same day as garbage (urban areas only)
- Bulk collected once every four weeks with a **three item limit**, on the same day as garbage (all urban areas and rural Burlington and Milton); seven collection dates per household in 2008
- Metal and Appliance Call-in Service (all urban areas and rural Burlington and Milton)

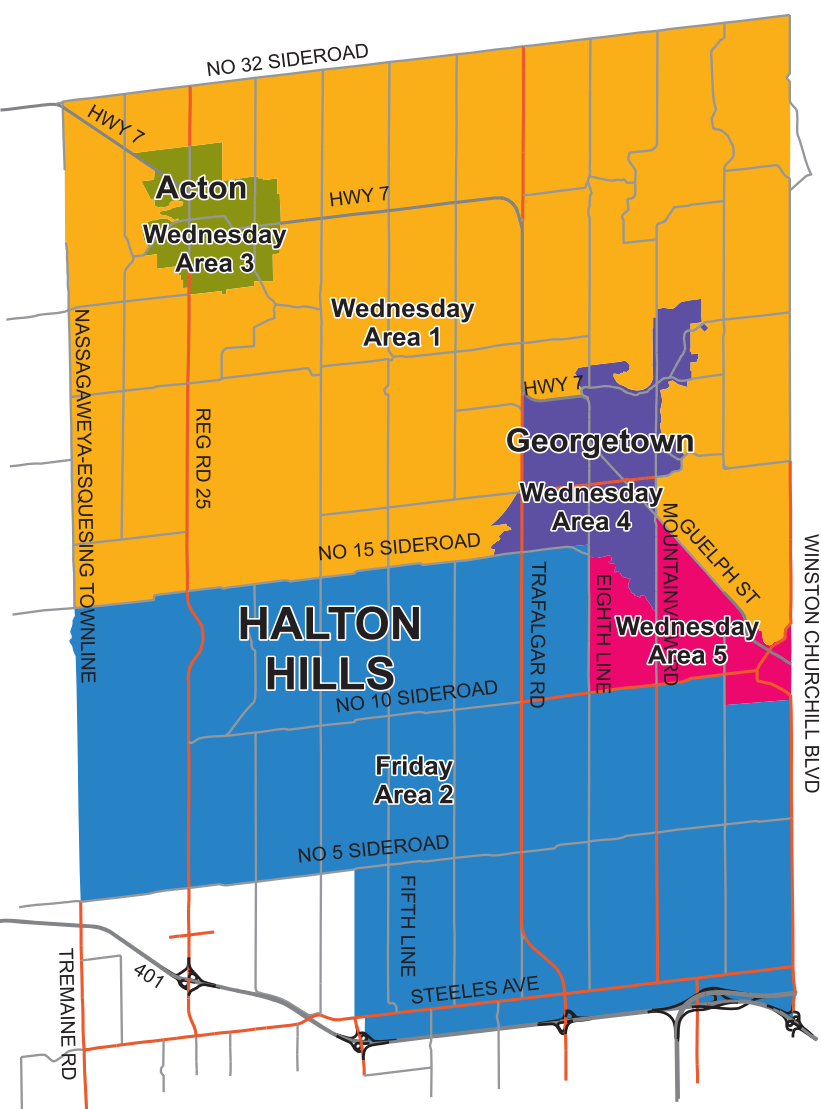

Collection Tips

- Don't be late. Put waste at the curb by 7 a.m. the morning of your collection day, but no sooner than 5 p.m. the evening before.
- Keep the weight down. Containers and bags should weigh no more than 23 kg (50 lbs). Items that are too heavy will not be collected. Do not put material out in cardboard boxes.
- Avoid accidents. Wrap broken glass and sharp objects in a puncture-resistant package before putting them in your garbage.
- Stack your Blue Boxes on top of one another to prevent papers from blowing away. Place heavier items on top of loose paper, or tie and bundle them.
- Tie corrugated cardboard in bundles no larger than 90 cm x 90 cm x 30 cm (3 ft x 3 ft x 1 ft) and place beside your Blue Box.
- Put your GreenCart out at the curb every week, even if it is only partially full. Do not place your Kitchen Catcher at the curb; it is more likely to blow away in the wind.

New! Search by Address

Visit www.halton.ca to find out your collection schedule! Input your Halton address and the search by address tool will display your waste collection details.
