ANNIVERSARY

Happy 25th Anniversary Hun!!
July 9th, 1983 was Our Special Day

Andy ~

I miss your smell and your style and your pure abiding way
Miss your approach to life and your body in my bed
Miss your take on anything and the music you would play
Miss cracking up and wrestling, our debriefs at end of day

I miss your neck and your warmth and our sharing All we had
Miss you walking through the front door with flowers in your hand
Miss our walks, our Bruce Trail walks and your fun and charming ways
Miss our Big Wave getaways
Miss our watch you love our kids

These are the things that I miss
These are not times for the weak of Heart
These are the days of raw despondence
I never dreamed I would have to lay down my torch for you like this
One step one prayer I soldier on, simulating moving on

*Wish you were here
Love forever and always
Here, there and everywhere
Your widow,
Kim xoxo...*

CARD OF THANKS

TURNBULL

This one action, to me means love. I have a wonderful family a loving family, but last week two of my sons, Glenn and Dale, and daughter-in-law Nancy took a week off from work and worked in my over weeded garden and rock garden to turn it into a thing of beauty. I cannot thank them enough for all the time they put into this wonderful effort.
