## Rainstorm creates mini flood

Reader Anthony Farrugia took these photos in the aftermath of a rainstorm that passed through town on Tuesday evening. The water at the corner of Raylawn Cres. and Weber Dr. was running faster than the sewers could handle and the road was flooded over and the storm sewers were bubbling up so much that they lifted the tops off them, says Farrugia. His two daughters, Sarah, 10 and Amy, 7 waded through the mini-flood.
