This week's challenge!

run it

Step it up! You CAN do it! Running is a great change of pace and is good for your mind and body. Running does not mean racing - just go at your own speed for as long as you want. But do try getting those feet moving a little faster. Need some inspiration? Why not a light jog to the park or a quick run for some frozen yogurt! Then run home to share your stories and photos online!

Knights of Columbus
donates to
Habitat for Humanity

Kathryn Delutis, executive director for Habitat for Humanity Halton received a \$3,000 cheque from the Georgetown Knights of Columbus Grand Knight Gerald Cole. The presentation was made at the John Street location where three houses, that meet Energy Star standards, are being built. "It is the support of individuals and organizations like the Knights, that allows us to do our work; providing simple, decent affordable homes to those in need," said Delutis. The Knights, she said will also be volunteering to help build the homes.
