**Supervisor**

A large multi-dimensional organization in the Food Industry is seeking a Supervisor reporting to the Department Manager. Responsibilities will include, supervising and scheduling the assigned department, production control, meeting production deadlines and continuous procedures to maximize yields and quality. You will ensure all Safety procedures and policies are complied with and you will be responsible to ensure regular maintenance of the area is carried out.

As the ideal candidate you will be available to work flexible shifts, quickly adapt to various production departments demands, able to adapt to a hands on approach in a unionized environment, have related supervisory experience in a food processing Company and be familiar with HACCP food requirements. An ability to multi-task and motivate people is an asset.

We offer a competitive salary and benefits package along with the opportunity to work with a great team in a very rewarding environment.
