In a quiet cemetery, where the gentle breezes blow, lies the one we loved so dearly, and lost three years ago. There will always be a heartache, and often a silent tear, and lots of precious memories, of the days when you were here. Our thoughts are always with you. Your place no one can fill. We hold you close within our hearts, and there you will remain, to walk with us throughout our lives, until we meet again.

*You will always be remembered,
