

ACTON HERBAL MAGIC

“I kept gaining weight over two years. The few things I would do to get five pounds off in previous years wasn’t working. Before I knew it, I had put on over 20 pounds. I hadn’t really changed my eating habits so I was very discouraged. When I got on the scales after last summer, I knew I had to do something. I had heard the ads for Herbal Magic on the radio so I called and made an appointment. I had never been on a diet before, so this was a new experience for me. The Herbal Magic staff and I set a goal for a 25 pound weight loss, one that I was worried about being able to do. After three months I had lost 31 pounds. The staff at Herbal Magic has been very encouraging and helpful. I have to say that it was easier than I thought it would be. I am coming up to a year since I started with Herbal Magic and have kept the weight off.

I feel a lot better and am so happy with the decision I made of joining Herbal Magic.
