

Award Winning Lineup

Honda and Toyota sell great cars, but so does Kia the world's 6th largest auto manufacturer with many award winning cars, SUV's and of course - Sedona the world's safest van. Plus 5 yr. 100,000 km Fully Comprehensive Warranty with Roadside Assistance which can easily be upgraded to 8 yr. 180,000 km - an industry first. So, **we dare you to compare** the product, the price, the interest rates, and yes the warranty. We are known for value and exceptional quality, and that's why we want you to compare with quality companies like Honda and Toyota. Why? For us to be the best we have to beat the best.
