

Fred's fun

Drew Macortti, 2, from Georgetown (above) checks out a hotrod on display during the recent 50th anniversary party for Fred's Towing held at the Georgetown Market Place while (left) Evan Clazie, 3, of Milton enjoys the bouncy castle while Erin Arsenault, 10, supervises. The local towing firm held the celebration in honour of founder Fred Tolton. Funds raised at the event were donated to Cancer Assistance Services-Halton Hills.

PUBLIC INFORMATION CENTRE

CONSTRUCTION OF AN ANAEROBIC DIGESTER, GEORGETOWN WASTEWATER TREATMENT PLANT, TOWN OF HALTON HILLS (GEORGETOWN) PR-2378

Halton Region is planning to construct a new, third anaerobic digester at the Georgetown Wastewater Treatment Plant in the Town of Halton Hills (Georgetown). The new digester will not expand the overall rated treatment capacity of the facility, but will increase the solids stabilization capacity to match the existing liquid treatment capacity. Construction is due to begin in 2009.

You are invited to attend a Public Information Centre to learn about the planned construction and discuss any concerns you may have with representatives from Halton Region. This Public Information Centre will be an informal meeting and you are invited to drop in at your convenience between the noted hours.

DATE: THURSDAY, SEPTEMBER 11, 2008
TIME: 6:30 p.m. – 8:30 p.m.
PLACE: GELLERT COMMUNITY CENTRE (BOARDROOM)
10241 EIGHT LINE
HALTON HILLS (GEORGETOWN), ONTARIO

If you are unable to attend this Public Information Centre and wish to obtain more information or provide comments, please address your concerns to:
