

## Hospital helpers

Georgetown Hospital Foundation has an additional \$3,462 to spend on medical equipment after the Georgetown and Acton Scotiabank employees, and Scotiabank at a corporate level, donated the funds raised at the recent hospital walk. Scotiabank corporate matched some of the funds for the donation. On hand to make the presentation to the Foundation were (from left) Foundation chair Paul Armstrong, Georgetown Scotiabank branch manager Mark Baker and Foundation members Shelley Phipps and Laurent Thibault.

## Urban Yard Waste Collection

Only use paper yard waste bags or open, reusable, rigid containers labelled as yard waste. If using a reusable, rigid container, you can drill holes on the bottom of the yard waste container for drainage. **Do not use cardboard boxes.**

Yard waste labels are available at no charge from Halton Region. Call Halton Region between 8 a.m. and 5 p.m. Monday to Friday at 905-825-6000, 1-866-4HALTON (1-866-442-5866) or TTY 905-827-9833.

Containers may have a capacity up to 125 L (27 imperial gallons) and weigh no more than 23 kg (50 lbs).

**Yard waste in cardboard boxes, Blue Boxes, GreenCarts or plastic bags will not be collected.**

Brush must be tied in bundles no larger than 1.2 m (4 ft) by 0.6 m (2 ft) wide, with branches a maximum of 7.5 cm (3 inches) in diameter.

**In Collection Areas 3, 4, and 5, yard waste is collected every other week, on the same day as your garbage. In Collection Areas 1 and 2, there is no yard waste collection.**

---	--

**Grasscycling**

**Grass clippings are not accepted with yard waste for collection.** Instead, grasscycle! After mowing, leave grass clippings on your lawn. Grass clippings are approximately 80 per cent water and will decompose quickly, releasing valuable nutrients back into the soil. Grasscycling is an environmentally and financially friendly option for your lawn care.
