**Winter and the Butterflies:** Have you ever wondered how a butterfly survives the winter? Has it ever occurred to you that butterflies fly around looking for survival methods and preparing for winter just like you and me? Did you know that a caterpillar can grow up to 30,000 times? From 9:30 a.m. until noon, the Willow Park Ecology Stewardship Committee will be hosting an exciting event about Winter and Butterflies. There is even a special area in Willow Park devoted to the majestic and very intricate butterfly. Come and see what a miracle these insects are. As a bonus, children get to make cool crafts that they
