Open Doors Open Hearts Open Minds

Despite a bit of bad weather on Friday night, attendance was up, resulting in record gate receipts at the Acton Fall Fair this past weekend. The annual event is hosted by the Acton Agricultural Society, and it marked the first year with the brand new Dufferin Rural Heritage Community Centre. Above Libby Peters of Brighton Ontario with her pulling horses, Mike (left) and Charly, compete in the horse pulling event. Left, Rick Vranic of Georgetown with his two-year-old daughter and Jaxson Halward, 2, (below) enjoy meeting the animals in the petting zoo.

Safety is Child's Play

Protect your child from dangerous situations on the playground by following these safety tips:

- Always supervise children at the playground.
- Make sure children are playing with age-appropriate equipment.
- Ensure that a soft surface surrounds all playground equipment to cushion potential falls.
- Check all equipment to make sure it is firmly anchored and functioning properly.
