Truck stolen after thief swipes keys

A 2003 Dodge pickup truck was stolen from the driveway of a Cleaveholm Dr. home sometime early Friday.

Halton Police report the \$35,000 truck was taken after someone entered the home through an unlocked door and took the truck's keys from the kitchen. The truck was later recovered by Peel Police.

Keys were also stolen during a break-in at a Dayfoot Dr. home sometime Thursday night or Friday morning.

While the residents of the home were sleeping, someone entered the home through a kitchen window and took two sets of keys. One set was later found by the residents outside the door of the home and the other set was found in the ignition of a vehicle in the driveway.

Police are investigating an attempted break and enter into a Gower Cr. home that occurred sometime late Friday or early Saturday.

Police report someone attempted to force open the rear window of the home. A screen was damaged and no entry was gained. Damage is estimated at \$300.

Paint was sprayed on the playground area of a Dayfoot Dr. park sometime late Thursday or early Friday. Damage is estimated at \$200.

Halton Police report a yellow Firefly electric scooter was found in the bush near Arbor Glen and Main St. Saturday, Sept. 8.

The owner of the scooter can claim it at Georgetown Police station on Guelph St. or call 905-878-5511 ext. 2409.

Sometime Wednesday or Thursday the rear windshield was smashed in a vehicle parked at the GO station on Queen St. Damage is \$300.

A Georgetown man is facing a drug charge after police stopped a vehicle for a traffic violation in the Churchill Rd. and Tanners Rd. area of Acton Thursday evening.

Approximately a pound of marijuana was found in the vehicle.

Charged with possession of a controlled substance for the purpose of trafficking is Nelson Costa Ferreira, 49, of Dayfoot Dr.
