Supervisor

A large multi-dimensional organization in the Food Industry is seeking a Supervisor reporting to the Department Manager. Responsibilities will include, supervising and scheduling the assigned department, production control, meeting production deadlines and continuous procedures to maximize yields and quality. You will ensure all Safety procedures and policies are complied with and you will be responsible to ensure regular maintenance of the area is carried out.

As the ideal candidate you will be available to work flexible shifts, quickly adapt to various production departments demands, able to adapt to a hands on approach in a unionized environment, have related supervisory experience in a food processing Company and be familiar with HACCP food requirements. An ability to multi-task and motivate people is an asset.

We offer a competitive salary and benefits package along with the opportunity to work with a great team in a very rewarding environment.

Email resume to: careers@maplelodgefarms.com

We thank all applicants however only those chosen for an interview will be contacted

PICTURE YOURSELF ON OUR TEAM
www.bmo.com/careers
BMO Bank of Montreal is more than a financial services leader. One of Canada's Top 100 Employers, we work collaboratively to provide our customers with excellent service and our employees with opportunities to succeed.

Mortgage Specialist (Georgetown)

With astute leadership and exceptional business development, sales and service techniques, you'll drive BMO's vision, business strategy and overall growth. Your in-depth knowledge of the real estate market will help you build a third-party network of referral sources and achieve sales targets for mortgage products and services. Outstanding communication and interpersonal skills, demonstrated leadership ability and a proven sales track record match your expertise in lending philosophies and experience in residential mortgages. A sound understanding of investment products, and direct and full-service brokerage rounds out your profile. **Job ID #29181**

Financial Services Manager (Georgetown)

You will meet sales and service objectives and targets by assessing customer needs and providing exceptional customer service and advice-based solutions. Applying your business acumen and sales and service principles and techniques, you will proactively respond to the financial needs of existing and potential customers, ensuring that every opportunity to expand the customer relationship is explored. You will make credit decisions/recommendations in accordance with sound credit granting principles and in compliance with bank policies and procedures. Knowledge of Personal and Small Business products and loan documentation is required. You will have successfully completed the Investment Funds Institute of Canada Course (IFIC) or the Canadian Securities Course (CSC) and are eligible to be licensed to sell mutual funds. Strong negotiation, problem-solving and risk management skills will reinforce your success in this role. **Job ID #33077**

We value our employees and offer a comprehensive benefits and compensation plan, including a competitive Employee Share Ownership Plan, lifelong learning initiatives, and excellent career opportunities.

To learn more and to apply online, visit our web site and use the Detailed Search function in our Career Finder. Search for the appropriate **Job ID#**.

At BMO Financial Group, we are committed to diversity and equitable opportunity for all individuals.
