'THE PARANORMAL SHOW'
SCOTT McCLELLAND

Journey into the unknown— seances, hypnosis and more at the The Paranormal Show, Nov. 1

Local residents can take a journey into the unknown when *The Paranormal Show* comes to the John Elliott Theatre, Thursday, Nov. 1

Featuring Toronto medium Scott McClelland, the show taunts the audience into asking questions about the universe and the logic of science.

Included in the show will be demonstrations of clairvoyance, psychokinesis, telepathy and intuition— which involves a game of Russian roulette with a nine-inch spike.

Telekinesis, mind control, retrocognition and hypnotism share the stage with an actual seance and much more! Packed with non-stop audience participation, this spectacular assortment of paranormal feats makes audiences question everything they thought they under-

stood about science and reality. Also featured will be medium Theadora.

A tribute to the heyday of live entertainment, many of these feats have been passed down through the generations. McClelland's grandfather was a pioneer of the paranormal, and McClelland, himself, brings to the stage 30 years of experience as a producer of exciting shows since 1977.

"Though science has debunked many myths that evoked awe in our forefathers, there remains an unyielding, perhaps unconscious desire in mankind to accept supernatural events that cannot be rationalized," said McClelland on his website. "(This show) is an event that is shrouded in supernatural mystery and intrigue, taunting the audience into ask-

ing questions about the mechanics of the universe and the logic of science.

"The Paranormal Show is a reminder that with all of the technology we have today... we still have not answered the biggest questions to ever plague mankind... where do we go when we pass on? And why do we exist?"

Tickets are \$20 per person and are available at the theatre box office, 9 Church St, or by calling 905-877-3700. Doors open at 7 p.m. with showtime at 8 p.m.

A portion of the proceeds of this event will be made to the Kidney Foundation of Canada, Central Ontario branch's Patient Services Committee.
