**Stitches in time**

Barb Chliszczyk, of the Halton Hands in Motion Knitting and Crocheting Guild, was one of many who helped set up the Stitches and Chains show in the Gallery of the Cultural Centre. The show, featuring a showcase of about 100 pieces of knitting and crochet, from the traditional to the unusual, by local artisans, opened yesterday (Oct 30) and runs until Nov 11. The Gallery is open during library hours. *Photo by Ted Brown*

**Diversify for a more global perspective.**

- ✓ More investment choices
- ✓ Take advantage of market upturns
- ✓ Protect against market downturns

Invest in some of the best companies around the world. Diversifying your investments could mean taking advantage of some of the best investment opportunities around the world. Why go global? Since Canada makes up only about 4% of the world economy, it may make sense to open up your investments to some of the best companies in today's global markets. As well, diversification could help you benefit from market upturns while offering protection during downturns. So, when thinking about investing globally, consider TD Mutual Funds. It can make a world of difference.

Let us show you how our global funds can be a part of your investments, or how you can take advantage of them within the TD Managed Assets Program (TD MAP) portfolios.
