

Rotary aids Bread Basket

Rotarians Brian Thomas (left) and Harry Hope, recently presented Georgetown Bread Basket Food Bank, with a cheque for \$1,440, the proceeds from the Rotary Club of Georgetown's annual barbecue at the Canada Day festivities in Glen Williams. On hand to accept the cheque were food bank media co-ordinator Marian Viant, and board member Nancy Heinmiller. The donation will be in aid of the Good Food box program. *Photo by Ted Brown*

FMA Live

A group of Grade 5-8 students from Centennial Middle School recently participated in an award-winning hip-hop science education concert called Force equals Mass times Acceleration (FMA) at Georgetown District High School. FMA Live was developed by the National Aeronautic and Space Administration and Honeywell International to inspire students to pursue careers in science, engineering, technology and mathematics using a multi-media presentation involving hip-hop music and dancing. Grade 6 Centennial student Grace Done demonstrated how mass works in the FMA equation with the presenters of the concert. *Photo by Eamonn Maher*
