## Halton Region Remembers our Veterans

From peaceful communities like Halton, young men and women answered the call to serve at sea, on land and in the air. They were injured, died or returned to their homes to resume life as civilians. As our Canadian soldiers continue to face adversity abroad, it becomes more important that we remember the sacrifices their predecessors made.

I encourage all those in Halton Region to keep alive the achievements and sacrifices made by those who have either served, or continue to serve Canada in times of war and peace. Engage your community in remembrance of the achievements and sacrifices our soldiers continue to make, and promote an understanding of their significance in Canadian life as we know it today.

Gary Carr  
Regional Chair
