A Grand Entrance

Making an entrance is both fun and rewarding. Decorating your front entrance for the holiday season is inspirational to do and provides a festive welcome to your home.

Compliment your door with pre-made or do-it-yourself swags, garlands, ropes or wreaths. All are most effective when made with living greens. And the smell is out of this world. Don't forget to add some berries or other colour, use fruit, experiment and express yourself on your front door.

Planters are great fun too, whether in urns, pots or containers of your choice these festive beauties bring the majesty of the season to your entrance. The possibilities are endless when you explore nature's décor.

No entrance is complete without something to wipe your feet on. Some too beautiful to soil, a great selection of themed holiday mats are available to complete your grand entrance.

Stop by one of our garden centres this week and make a grand entrance of your own.
