

# Region continues fairness fight

Regional Chairman Gary Carr and the four local mayors are once again breaking out their pens to write to the Premier, this time urging him to address the needs of municipalities in his upcoming throne speech.

A motion directing the correspondence was passed by regional council at its meeting Wednesday. The resolution ties in with the Region's Fairness for Halton campaign, which started earlier this year to let the Ontario government know the region can't accommodate the thousands of residents called for in the Province's Places to Grow plan without some significant funding for things like infrastructure.

In addition to the letter, the Region will also be:

- Asking the local municipalities to participate in a coordinated communication strategy that focuses on the provincial requirement to fulfill the local and regional needs set out in the Fairness campaign

- Advising the provincial ministers of public infrastructure renewal and finance that they wish to meet to discuss the Fairness campaign as part of the 2008 provincial pre-budget consultations

- Working with local municipal staff to develop and coordinate a common communications plan to be included in the next municipal tax bill

- Organizing a GTA/Hamilton summit with local municipal partners to develop a common strategy to assist in attracting both federal and provincial funds for municipal infrastructure and to discuss a 'new deal' for municipal financing.

# Mint magazines for sale next week as part of anti-poverty fundraiser

A Georgetown man hoping to help end the cycle of poverty for individuals, families and communities by cycling in the Sea to Sea 2008 Bike Tour will be in Georgetown Market Place next week selling 40-plus-year-old magazines to help raise money for the event.

Bryan Flikkema will be selling back issues of magazines such as *The Saturday Evening Post*, *Life*, *Colliers* and *Star Weekly* from the 1940s to the 1960s in the mall Monday (Nov. 26) through Saturday (Dec. 1) from 9 a.m. to 6 p.m.

Flikkema says people can buy the mint-condition magazines for family and friends from the week they were born and they make great Christmas and birthday gifts.

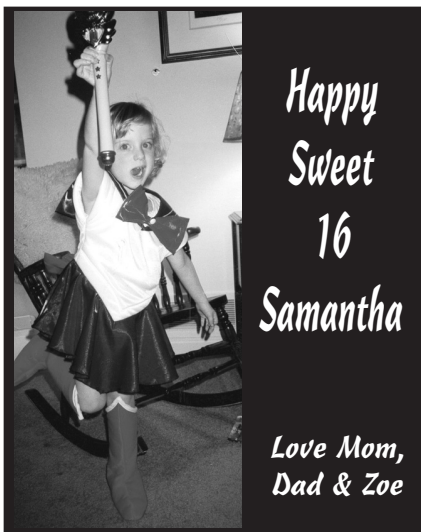

There is a limited supply available. Prices are \$15 each, or four for \$50, plus postage if mailed.

The aim of the Sea to Sea Bike Tour is to end the poverty cycle by raising funds and awareness to support poverty alleviation programs initiated by the Christian Reformed Church and its partners.

Flikkema will be riding from Seattle to Jersey City and has to raise \$10,000 to enter the tour.

Anyone interested in purchasing a magazine is asked to call Flikkema for availability at 647-223-3833.

### OVERNIGHT PARKING RESTRICTIONS

**UNIFORM TRAFFIC CONTROL BY-LAW NO. 84-1 PROHIBITS PARKING:**

**2:00 A.M. - 7:00 A.M. (Daily)**  
November 15, 2007 to April 15, 2008

On all streets under the jurisdiction of the Town of Halton Hills, unless authorized signs indicating otherwise are specifically posted. Motorists are reminded that By-law No. 84-1 also prohibits the parking of a vehicle on all Town or Regional Roads for longer than 3 consecutive hours at any single location, unless otherwise specifically posted.

On-street parking hinders snow clearing and other road maintenance operations. Your co-operation is requested. Please comply with the requirements of this By-law.

**AUTHORITIES MAY HAVE VEHICLES TICKETED OR TOWED AWAY AT THE OWNER'S EXPENSE.**

Motorists should note that Town By-Law Enforcement Officers will be on patrol through the duration of the parking restriction period and will ticket and/or have the offending vehicle removed. Enforcement officers will not enforce parking on sidewalks between 2:00 a.m. and 7:00 a.m. where the Town does not clear the sidewalks.

### SNOW REMOVAL

The placing or pushing of snow or ice onto roadways or cleared sidewalks will obstruct or encumber vehicular and pedestrian traffic. Do not push snow across roadways because the trail of snow does turn to ice. The Town's Obstruction, Encumbering or Fouling of Highways By-law No. 90-68 prohibits such action.

Improper snow and ice clearing can be a serious hazard to motorists and pedestrians. Your co-operation is requested. Please comply with the requirements of this By-law.

The winter season will soon be upon us. Be alert for snow plows and stay back at least 15 meters behind snow plow trucks. Please avoid parking on streets during snowstorms to assist Public Works operations staff with providing safe, passable roads.

**AUTHORITIES MAY HAVE SNOW AND ICE REMOVED AT THE PROPERTY OWNER'S EXPENSE.**
