

# Rookie Eagles tops at tourney

Heading into the Central Ontario Baseball Association Tier I rookie ball (9 yrs. & under) championship tournament in Waterdown, the Georgetown Eagles were in second place behind Oakville, but knocked off their rivals from south Halton 15-14 in the semifinals and then beat Mississauga 10-2 in the final to earn the 2008 title. Team members (front, from left) are: Thomas Giroux, Jeremy Roach. Second row: Lucas Wepf, Andrew Smith, Chris Yalowica, Eric Brown Nolan Frew, Eric Taylor, Alex Seelman. Third row: Ty Martin, Daniel Critch, Ben Basilio, Zach Cunningham. Back row: Coaches Greg Seelman, Jeff Taylor, Gene Basilio, Mike Yalowica. Absent: Dave Martin.

### More Blue and Green for a Better Planet

# Household Hazardous Waste

#### Accepted free of charge:

- Aerosol cans (full)
- Antifreeze
- Automobile and household batteries
- Fluorescent bulbs and tubes (8 maximum)
- Fuels
- Garden chemicals
- Household batteries
- Household cleaners
- Motor oil and filters
- Paints and stains
- Pesticides
- Pharmaceuticals (over-the-counter and prescription)
- Pool chemicals
- Propane tanks
- Solvents
- Varsol (clean or used)

Residential household hazardous waste can injure waste collectors, and can damage the environment if disposed of improperly. Household hazardous waste must not be put in the garbage or poured down the drain.

Instead, residential hazardous waste can be taken to the **Household Hazardous Waste Depot** located at the Halton Waste Management Site (HWMS), 5400 Regional Road 25, Milton. The HWMS is open Monday to Saturday, 8 a.m. to 4:30 p.m.

Each year the Household Hazardous Waste Depot recycles or properly disposes over 800,000 litres of residential hazardous waste!

There is a 20 litre maximum per visit. All containers must be left at the Depot.

#### Not Accepted:

- Commercial Hazardous Waste
- Radioactive Waste
- Explosives (for example: dynamite, ammunition, nitro glycerine)
- Biological Wastes and PCBs

Empty paint cans (dry with lids removed) and other empty containers (with no liquid or powder residue) can be disposed of with regular garbage.

### Paint Reuse Shed

Looking for paint to repaint your home? Pick up usable paint and stain at the Reuse Shed for free. The Paint Reuse Shed is conveniently located beside the Household Hazardous Waste Depot. Open from spring to fall. The HWMS cannot guarantee which colours will be available.

## Inquire, Investigate and Explore at the 2008 Halton Children's Water Festival!

From September 23 to 26 over 3,600 grades two, three, four and five students, will participate in the third annual Halton Children's Water Festival at Kelso Conservation Area in Milton.

The Festival organizing committee brings together expertise from Conservation Halton, Halton Region, the Halton Catholic District School Board, the Halton District School Board, the City of

Burlington and the Town of Oakville. The Festival offers over 50 interactive Ontario curriculum based activities designed to educate Halton students on water, one of our most precious resources.

The Festival is a wonderful opportunity to teach our youth about the importance of our precious water resources, and promote environmental stewardship to ensure our natural legacy for future generations. For more information please visit [www.haltonchildrenswaterfestival.com](http://www.haltonchildrenswaterfestival.com).

Gary Carr  
Regional Chair

#### Halton Regional Meeting Schedule
