40 years of service at Eden House

A celebration of 40 years of care to seniors was held on September 13 at Eden House Care Facility. Former staff, past residents' families, associate health care professionals and local dignitaries enjoyed photos and articles of by gone years. Special recognition was made to Dr. D.T. Maharaj (right) who has been the medical advisor for the past 40 years. He is congratulated by Gail Bouwmeester RN, Eden House's owner and operator with John Bouwmeester. Eden House appreciates all staff past and present, family council, and other supporters for continuing to make Eden House "a nice place to live".
