

Winter prep
**Snow
shovellers
wanted**

The Links2Care Home Maintenance program provides people to remove snow for seniors and persons who are disabled in Georgetown and Acton. Snow

removers are paid a fee by the client.

Call Brenda at 905-873-6502 ext. 35 if you are interested in providing snow removal for seniors or if you require snow removal during the winter.

Young Parents Dinner Club
The Young Parents Dinner Club

meets weekly Monday, 4:30-7:30 p.m. from September-June at the Ontario Early Years Centre, Georgetown, 96 Guelph St. The Dinner Club supports young parents (up to 24 years of age) with children from 0-6 years of age.

Parents are involved in choosing the menu and preparing the

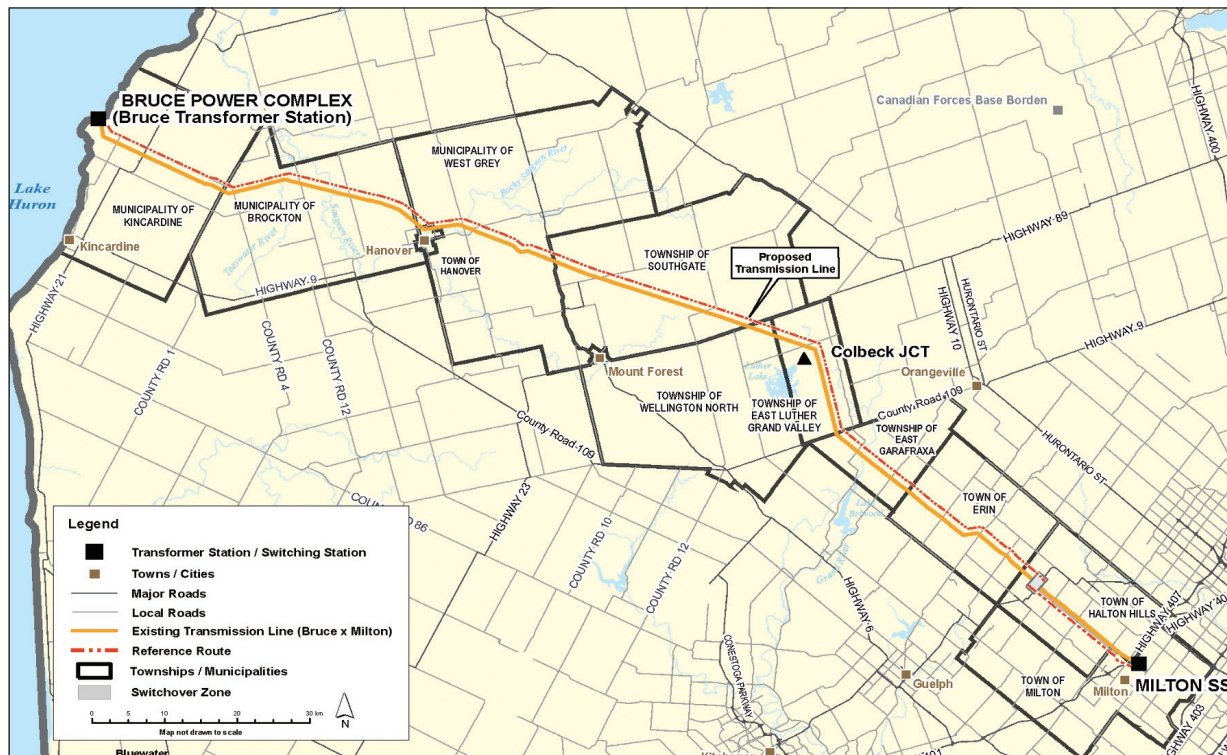

evening meal. The children are cared for by childcare staff and once dinner is ready, everyone eats together.

Guest speakers provide information on infant and child development, parenting skills, family nutrition etc. There is no fee. Info: Jennifer, 905-873-2960.

PUBLIC INFORMATION CENTRES

We encourage you to attend one of the PICs, where you will have the opportunity to learn more about the Draft EA Report and supporting studies and plans, provide your input, and discuss any issues or concerns with our project team. The Draft EA Report will be available at the PICs as well as information and maps illustrating:

- Socio-economic and natural environment findings
- Project effects and mitigation measures
- Visual effects assessment

PIC Dates and Locations

October 6, 4 – 8 p.m. Regional Aquatic Centre, Auditorium 269 7th Avenue, Hanover	October 8, 4 – 8 p.m. Royal Canadian Legion – Branch 197 15 Wright Avenue, Acton
October 7, 4 – 8 p.m. Egremont Optimist Centre 392137 Grey Rd. 109, Holstein	October 9, 4 – 8 p.m. East Garafraxa Public School 063066 County Rd. 3, Marsville

For any additional information, you can reach us at:

Email: Community.Relations@HydroOne.com
Website: www.HydroOneNetworks.com/BrucetoMilton

Hydro One Networks Inc. ("Hydro One") has initiated an Environmental Assessment Project under the *Environmental Assessment Act* ("EA Act") to build an approximately 180-kilometre double-circuit 500,000 volt (500 kV) transmission line on a widened existing corridor connecting the Bruce Power Facility ("Bruce") near Kincardine to Hydro One's switching station in Milton ("Milton").

The Bruce to Milton line is one of the most important projects Hydro One currently has underway to meet Ontario's future electricity needs, by providing the necessary transmission capability to bring an additional 3000 megawatts of clean and renewable power from the Bruce area to electricity consumers.

As part of the planning process for the Bruce to Milton Transmission Reinforcement Project, Hydro One is making the Draft Environmental Assessment ("EA") Report available for a 30-day period for review by the public, First Nations, Métis, stakeholders and public agencies from September 22 to October 24, 2008. Coinciding with the release of the Draft EA Report, the third round of Public Information Centres ("PICs") for the project will be held from October 6-9, 2008. After expiry of this 30-day review period, the Draft EA Report will be revised as necessary to address the comments received and it is expected that a final EA Report will be submitted to the Ministry of the Environment (MOE) in November 2008. The MOE will then initiate its review of the final EA Report. Public notice will be provided regarding the submission of the final EA Report to the MOE and the formal review process prescribed by the EA Act will begin.

Draft EA Review Process

The Draft EA Report is available on the Project website at: www.HydroOneNetworks.com/BrucetoMilton and you can obtain the report on CD by calling our toll-free Project Hotline at 1-877-345-6799. Interested parties may also review the Draft EA Report during normal business hours at the locations listed in this Notice.

Your written comments about the Draft EA Report must be received no later than October 24, 2008, and should be submitted to:

Ms. Eniber Cabrera, Dillon Consulting
235 Yorkland Blvd., Suite 800
Toronto, ON, M2J 4Y8
Fax: 416-229-4692
