

October is Library Month

Come check us out!

October is a very exciting month for libraries. And no, it is not because of Thanksgiving or Halloween or any other holiday. Instead October is Canadian Library Month and it also includes Ontario Public Library week.

To celebrate, Halton Hills Public Library has all kinds of exciting programs, contests and other things going on. Here are some examples:

October is the very best time to sign up for a library card if you don't already have one. All month long, we are celebrating Library Card Sign-Up Month and every new library member will receive a free gift, children and adults alike!

With every new card you have the option of purchasing matching key tags for \$2. These key tags come in sets of three and are a handy way to have your library card number at your fingertips even if you have left your wallet or purse at home. There's no need to feel left out if you already have a library card. Existing card holders can purchase a new card with matching tags for the same price.

In celebration of Ontario Public Library Week from October 19th to the 25th, you can enter to win a beautiful gift basket when you check out your books.

Kids can also enter to win a special basket of children's books, toys and more.

October is also E-Wareness Month and time for our annual E-Wareness contest. This is a great time to get to know the online databases that are accessible through the library's website. Simply pick up a ballot while you're at the library, answer the questions using our online databases (you can do this part from home if you like) and submit your entry. You could win an amazing prize such as a Wii system or even a laptop! Check out our website at www.library.hhpl.on.ca for more information.

So as you can see, it will be one long party here at the Halton Hills Public Library! Join us and help us celebrate. As with all parties, the more people, the merrier!

IN MEMORIAM

HANCOCK, Beverly Ann

November 10th, 1935 - October 3rd, 2002

The years pass by, yet it feels like yesterday when we last saw you. Sometimes, it's as if you're still here with us, sitting at the table reading your books, or cooking up one of your famous holiday feasts. When we need you the most, that's when we miss you the most, which feels like all the time. But, you taught us to be strong, mom, and we will be strong, by cherishing our memories of you, hearing your laughter wherever we are, and through all the love that you gave us in life.

Love Ted, Tina and Sam

ARMSTRONG, Audra - In memory of a friend, Audra Armstrong, who passed away October 5th, 2007.

Today recalls sad memories of a friend gone to rest, but not forgotten. Heavy is my heart today, memory brings you back once more to the time you were with us.

Sadly missed,
Anne Neville

MARSHALL, Gordon - In loving memory of a loving Husband, Dad and Grandpa who passed away October 6th, 2006.

We thought of you with love today, but that is nothing new,

We thought about you yesterday and days before that too.

We think of you in silence, we often speak your name, All we have are memories and your picture in a frame.

Your memory is our keepsake with which we'll never part, God has you in His keeping, we have you in our hearts.

Lovingly remembered by,
Joyce, Vicki (Paul), Diane (Kevin), Sandra (Keith) and Grandchildren
