

Libraries celebrate E-wareness Month

E-wareness Month, October 2008, is a celebration of the wide variety of online information resources available to you from your public or school library. E-wareness Month is also your chance to win great prizes while learning something new. Until October 31st, you could win a Wii, a laptop, a digital camera or a portable DVD player. Simply pick up a contest ballot at any library location or enter the contest online where available. Contact your local school or public library or visit www.halinet.on.ca for more information.

FEAR OF DENTAL VISITS?

If you're apprehensive about going to your dental professional, your certainly not alone. It's been estimated that 3 out of 4 people suffer from some form of dental anxiety or fear.

Although we work mainly with denture, (and you actually have to remove your teeth and hand them to us!), most of our patients don't have the same fear as they did years ago, when they were having work done on their natural teeth. But people still fear certain appointments, such as the dreaded impression. We are developing new, more comfortable techniques every year, to make our procedures more patient friendly. You'd be pleasantly surprised how much easier it is today. If you have any questions regarding your dentures, give us a call. You do not need a referral, simply call our office direct to make a no charge consultation appointment.

*Ask questions. Knowing what and how certain procedures are done will help put your mind at ease.

You do not need a referral; simply call our office direct for an appointment.

Creating confident smiles since 1982.
