Lily Swings at JET Thursday

The John Elliott Theatre presents Lily Frost in *Lily Swings*, tomorrow (Thursday) at 8 p.m.

The singer-songwriter, whose original music has been heard on TV shows such as *Grey's Anatomy*, brings new and fresh interpretations to classic songs from the great American songbook made famous by the legendary Billie Holiday.

LILY FROST

the late Ray Condo's legendary band, and arrangements recall the heyday of swing—peppered with the slightest hint of western swing, Frost blends a period feel with a contemporary sensibility.

Lily Swings appeals to both veteran jazz fans and a young contemporary audience.
