

I'm thankful because...

Sara Kennedy, 11, was the winner of *The Independent & Free Press* Thanksgiving Contest, saying she was thankful for 'Sick Kids because it made my brother all better!' Sara's brother Richard, 12, joined her for the photo. There was an overwhelming response this year with many thoughtful entries. Today (Friday) is the last day the entries are on display in *The Independent & Free Press* lobby in the Georgetown Market Place. For anyone wishing to pick up their entry they will be on the wall until the end of the day.
