

ACTON HERBAL MAGIC

(It's Worth The Loss At Acton Herbal Magic)

In just 10 months I lost

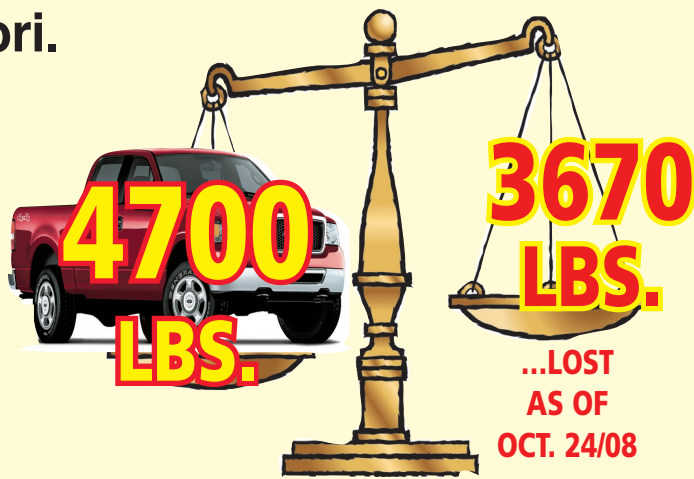

83 LBS. & 85 INCHES

on the Herbal Magic Program.

After having two children, quick easy meals were essential. Unfortunately they weren't always the healthiest. I looked in the mirror one day and didn't recognize the person I'd become, nor did I want to be her. I joined Herbal Magic and learned healthy meals could be quick and easy. I learned proper portions and better choices. It was simple and the whole family could eat what I ate. The ladies of Acton's Herbal Magic have been wonderful. Always supportive, never judgmental and excited about each client's success. I now looked in the mirror and am proud of the woman I see. I am her.

Thank you to my family and of course Bonnie, Kelly and Cori.
