CPI is a world-leading high-tech, electronics company that designs, manufactures, and markets worldwide a diverse range of products for diagnostic medical imaging and satellite communications for television, internet, and data transmission. We are seeking the following skilled professional to join our innovative team...

Accounting Clerk

You will be responsible for the preparation of entries in the general ledger, account analysis, inter-company reconciliation, and certain areas of accounts payable/receivable. Your accounting diploma is complemented by two years' accounting experience in a manufacturing environment and demonstrated excellent organizational skills and proficiency with standard computer software.

The opportunity to apply your skills with an industry leader comes with a competitive employee package, a friendly and stimulating work environment, and an in-house fitness facility. We value all applicants; however, only those selected for an interview will be contacted.
