Think of her as living,  
In the hearts of those she touched,

**CURRIE, Carl**

Dear Carl,  
God took you away too soon and broke my heart into little pieces which I can't repair.

I cry everyday, I am very sad from morning until night. I love you so much and I miss you so much.

I know I will be with you in the near future so I have something to look forward to. I hope you are waiting for me.

Please God look after Carl until I get there.

*Thank you,  
Love Mom and Barrie*

Brother, Uncle, Great Uncle and Friend

Two years have gone by,  
Since we had to say goodbye,

Still we wonder why,

As we sit each day with a tear in each eye,  
We now see you as the biggest star in the sky,

We hear you laughing,

We hear you talking,

You are here with us each day in your own mysterious way.

We just wish the ache in our hearts would go away,

But we all know that it is here to stay,

As long as you are not here today.

We love you big brother and miss you.

*Always and forever.
