BRANCH No. 197 LEGION NEWS

By James Hayes P.R.O.

Comrades,

Last Saturday night your Branch executive, supplemented by Branch members wined and dined our Ladies' Auxiliary in the annual show of our appreciation for their year long support of your Branch. Music for their listening and dancing pleasure was provided by Hughes & Wilson whose extensive repertoire was a delight to hear.

Meanwhile, in the kitchen, Gary, John, Ren and the rest of the 'A' Team cooked up a culinary delight.

The ladies used this occasion to present awards to some of their deserving members. Sharron Rouse, Margaret Dunn and Rhona Thornhill were announced as Life Members of the Auxiliary, and Helen Fowler was presented with her 45 year pin, Eva Cutting who was unable to attend was

awarded her 30 year pin.

Branch Bylaws.

The RCL Branch 197 By-Laws Review Sub-Committee made several recommendations to the Branch Executive Committee at a meeting held on February 6 2006. These recommendations were accepted by the Executive, and will be submitted to the general meeting to be held on March 13 for approval. Branch members who wish to examine the proposed changes may obtain copies of same from the stewards.

Knox Youth Group presents special service

On Sunday January 29, the Youth Group of Knox Presbyterian Church presented a special youth service on the theme of water. All the youth of the church had roles to play in the presentation.

The service included interpretive dance, interactive activities, great music and many other new forms of worship. They even created a river and waterfall on the stage. The service was an energetic and creative addition to the regular weekly services at the church.

"We hope that the congregation enjoyed the service and would encourage others and visitors to attend next time," said Joel Aitken of the Youth Group. "On behalf of the Youth Group I would like to thank all those who helped make the service a great success. An extra big thanks to Mrs. Findlay for all her help in organizing this service on such short notice."
