Why my Mom is special
Letters from the winners of the Acton BIA writing contest

My mom is the best in the whole world. Because she helps me clean my room. She lets me help her with the Dishes. She brought me to life. She lets me clean my cats litter box. She helps me get better when I'm sick.

Happy mother's day mommy!
I think my mom is the best mom on earth. My mom works hard to get me stuff that I need. My mom makes me in a good mood. My mom makes me have a good fylling in my heart.
