

Impaired driver

A 47-year-old Cambridge man was arrested for impaired driving and over 80 after his car missed a turn and ended up hitting a street sign at Queen Street and Eastern Avenue around midnight on Friday

Police said a citizen reported seeing a Buick Century weaving into on-coming traffic and onto the shoulder of Trafalgar Road outside Georgetown. Police were called to the Eastern and Queen Street area where they found the car on the lawn and the sign down. They questioned the man and arrested him.

He appears in Burlington court on June 6.

Police/Fire Report

Intentional fire

Halton police are investigating an intentionally set fire in a garden shed at 53 Cook Street that was reported at 5:04 on Saturday afternoon.

A youth with a garden hose had extinguished the fire in the shed when Acton firefighters arrived on the scene, and police found evidence indicating the fire had been deliberately set.

Repeat burn

Acton firefighters were called to a rural property on 32 Side Road, east of

the Town Line, for a burn complaint at 3:35 on Friday afternoon.

Firefighters had been to this property in the past for a previous illegal burn, and once again advised the homeowner to let the fire burn out and get a burn permit before doing any more backyard burning.

Choking child

A nine-month-old Acton baby seemed in good health when Acton firefighters arrived at a Mowbray Place house at 9:20 on May 1 for a report of a choking child.

The mother reported the baby had gone stiff and stopped breathing. Firefighters administered oxygen until the paramedics arrived.

JUMPSTART CASH: Members of the Halton Hills Rams Master Lacrosse Club donated \$1,000 to the JUMPSTART program in Halton Hills that ensures all children can take part in sports and recreation, even they can't afford it. A sincere thank you to Milton Branch 136 Past President Sharon McKeown and her election team for a job well done.

We were afforded a beautiful evening last Thursday for the Candlelight Walk, though well attended the turnout of students was disappointing to organizers.

Last Friday evening the following new members were initiated into the Branch and welcomed:

Yours in comradeship.
