Caledon stuns Bolton 2-1 to take Boys U-16 soccer crown

By Chuck Tysoe

Over the years Acton Soccer Club has played host to many exciting finals tournaments, with more than a fair share ending with underdogs, whether from the home town or another area club, emerging as unlikely champions after a season of cellar-dwelling or very average play. Front-runners used to routine, high-scoring wins are waylaid by a combination of complacency, improved motivation and spirit in teams with whom they're used to having their way, and the grueling schedule of games (up to five or six) required to win a weekend tournament in the hot August or September sun.

Caledon's shocking 2-1 upset of League Champions Bolton "Brazil" in Acton Sunday afternoon at MSB field provided just such a story line. Despite several players suffering from the heat or injuries they engineered a marvelous late goal and held off Bolton by the quick of their fingernail to claim the Peel-Halton B-U16 Championship.

The first half ended locked at one after an early Cale-

DYL-LIGHTFUL: With Hillsburgh's 'keeper leaning the wrong way, Acton Ogre Sports U-16 boys forward Dylan Warren eludes the defender to deftly flick this left-footed goal in the back of the net. Acton lost Saturday's match 3-1.—Chuck Tysoe photo

don goal was answered by a breathtaking strike from about 30 M out by Bolton's top scoring player. Caledon roared back with two golden chances, one lofted with excessive force just over the bar, the second pounding flush off the post. Caledon contested every ball in a manner the smooth-passing and highly organized Bolton squad were not accustomed to.

Heat, the cumulative fa-

tigue of five games in 36 hours, and then frustration began to take its toll. A Bolton free kick between the posts was taken not, after a brief argument, by the logical choice, their goal-scoring wonder, and an almost sure goal was forfeited. Finally, persistence claimed its reward for Caledon. On a clever counterattack their left forward lofted a perfectly weighted ball from 15 yards

away, barely over the goalie's leap, which seemed to pause tauntingly against the far post before fainting wistfully across the line.

This was a well-earned win from a classy side, the survivor of a seven-team round robin, including Grand Valley, Rockwood, two from Bolton (the third Bolton side was a very unsporting no-show), Erin-Hillsburgh and two from Acton. Both Acton sides played some fine soccer and had bright moments but were unable to make a dent in the final four.

Board, PSSP reach pact

A tentative settlement has been reached between the Halton District School Board and Halton's Professional Student Services Personnel (PSSP) represented by the Ontario Secondary School Teachers' Federation (OSSTF), Halton. Continuing negotiations culminated in a deal reached on Monday of this week.

The 4-year deal between the professional staff and the Halton District School Board will cover the time period from September 1, 2004 to August 31, 2008.

Details of the settlement are to remain confidential and will not be released until ratification by both parties. The Halton District School Board is expected to ratify at an upcoming special Board meeting, and the PSSP Bargaining Unit will hold its Ratification Meeting at the OSSTF District 20 Office on Wednesday, September 6 at 4:30p.m.

The Halton Professional Student Services Personnel employee group represents approximately 65 staff who work directly with students in the roles of psychological education consultants, speech language pathologists, social workers and child and youth counsellors.

Acton Minor Hockey Association

**Tryouts begin Wednesday September 6, 2006
And Thursday September 7, 2006**

**6pm - Novice Tryout
7pm - Atom Tryout
